Merry Christmas & Happy Holidays!

It's the time of year to be thankful – and I am.

I'm thankful to have you as a client and friend ... and I'm thankful that our QLaser products are helping you and your family to better health and a more pain-free life.

When he developed the QLaser product line, Dr. Lytle's goal was (and still is), **"To Help Mankind"**. I hope you'll agree that our QLaser products do that remarkably well.

As a small token of my thanks to you for being a member of the QLaser family, I've enclosed a copy of Dr. Lytle's newest book, ***Energy Transcendence***. Please enjoy it in good health over the coming holiday season.

If you're like me, you probably haven't even started your Christmas shopping yet. So I thought you might find educational Christmas gift suggestion to be helpful. **Through the end of the December, you can purchase Dr. Lytle's *Healing Light DVD Seminar* for only \$175 - which includes UPS Next Day Air shipping** (this DVD seminar normally sells for \$600). If you need a last minute gift (even for yourself!) it might be just the ticket! To receive your DVD in time for "stocking stuffing" please call your order in to Veronica (605-342-5669) before 12/19/07.

You'll also note **I've included two QLaser postcards with a special opportunity for your friends to receive *Energy Transcendence* FREE when they order Dr. Lytle's *Healing Light* book.**

We hope that you'll help two other people realize that good health and a pain-free, drug-free life is within their reach by giving them the opportunity to receive Dr. Lytle's knowledge through his books.

If you'd like additional post-cards, please let Veronica know (605-342-5669).

Also, if you are a medical practitioner or business owner, and would like to make the postcards available to your patients or clientele, please call me directly for details.

Finally, as I look forward to 2008, I would like to ask you a favor ...

Please take a minute to let me know how I can serve you better in the coming year.

My personal email is kip@rapidnet.com ... fax 605-342-5739. I'd love to hear from you.

Once again wishing you and your family a safe, happy and wondrous holiday season!
